## CHARGES AGAINST PATROLMAN HEARD

**Convention Matter of Removing A. M. Edwards From Police Force Under Adversment.**

Special to The Tribune. IDAHO FALLS, Idaho, Nov. 14.—There was intense public interest in an investigation of Chief of Police J. J. Hayball and Officers Sidney Whitehead, Theodore Jackson and A. M. Edwards, which was conducted here last night by Mayor Clark and seven of the eight city councilmen.

Announcement having been made last Friday night that such an investigation would be held, the council chamber last night was crowded with interested citizens. Additional notoriety had been given to the case by reason of the fact that such serious charges would be brought forward as might imperil the positions of the officers named.

At the council meeting of a week ago last night the mayor had made the statement that on account of reports which had come to him he had previously asked for the resignations of Officers Edwards and Jackson, but that they had refused to relinquish their positions while under fire.

Last night Councilman Lachapelle, who is a member of the police committee, acted as inquisitor. Before the proceedings had gone very far, fire, and at their conclusion the seven councilmen unanimously voted that Edwards be discharged from the police force. The mayor having the final voice in the matter, he announced that he would take it under advisement with the police committee, to announce his decision later. Edwards, therefore, returned to his duty.

In course of the examination, conducted by Councilman Lachapelle, Officer Edwards denied being a frequenter of rooming houses and the restricted districts, or that he had collected dog tax from farmers entering town, or engaged in any of the other sorts of alleged graft charged. He finally admitted, however, that one night recently he shot four bullet holes through the floor of police headquarters in an effort to hit a fly on a chair rung.

The charges made against Officer Edwards, in addition to those already mentioned, include intoxication on duty, being frequently absent from his post and even being in another town while he should have been on duty. All of the charges he strenuously denied until he finally admitted the shooting at police headquarters. Every other charge he maintained was false.

Councilman Coughlin was foremost in attributing negligence to the chief of police, in that he had permitted dereliction of duty on the part of any officer.

**PRESIDENT BUSH IS EN ROUTE TO ZION**  
Chief of the Gould System Praises Resources of the Boise Region.

Special to The Tribune. BOISE, Idaho, Nov. 14.—After inspecting the Arrowrock dam of the Boise-Payette project, twenty-two miles above this city, and the adjacent valley, President B. F. Bush of the Western Pacific, accompanied by the members of his party left here tonight at 6:40 for Salt Lake City. The trip planned by Mr. Bush into the Twin Falls country has been abandoned for the present owing to the Salt Lake engagement.

President Bush issued a general statement here before his departure in which he strongly intimated the Boise-Winnemucca, or Winnemucca Northern railroad, north from the proposed route of which he had just inspected—Winnemucca to Boise—looks like a good railroad proposition and may be built. He said:

"You have a great country here. You produce a great quantity in food products, the most important of all for transportation. There is more of it than any one railroad can handle and you are bound to have a competing railroad and when it comes there will be business for both of them. You have an irrigated country, where crops are reasonably dependable every year. I cannot say now that the Western Pacific will build here, but it will not be long before there will be a competing railway line in this section."

**HENRY V. WILLIAMS DEAD.**  
Young Man of Park City, Native of England, Victim of Consumption.

Special to The Tribune. PARK CITY, Nov. 14.—Henry Vivian Williams of this city died yesterday afternoon of consumption at the home of his sister, Mrs. Williams. The young man had been a sufferer for some time. Everything possible was done for him, but he could be given no relief.

Mr. Williams was 21 years of age and was born in Devonshire, England, where his father and mother reside. He is also survived by one sister and two brothers. Funeral services will be held Sunday afternoon at 2 o'clock from the L. O. F. hall, under the direction of the lodge, Moose lodge, of which order deceased was a member.

**Will Erect Garage.**

**HANGS SELF IN BARN.**  
ST. ANTHONY, Ida, Nov. 14.—Charles Anderson, a well-known young farmer and school teacher, committed suicide last night by hanging himself from a rafter in a barn at Hamer farm near here. He left home early yesterday morning and when he did not return his wife became alarmed. Searching parties were sent out and the body was found late last night.

It is believed that worry over financial trouble and ill health caused Anderson's

suicide. He leaves a widow and two children.

**Railroad Chiefs Return.**
